

Boarding and Lodging Necessities List

Student dormitory rooms have some basic items that every student will need for safety and comfort while they stay at Michigan Islamic Institute. Below you will find an outline of what items each room will have, items you will need to bring, and most importantly, items students should not bring. ***Please note: To provide students with supplies and materials throughout the school year, parents may mail them to the school (packages must be address with the STUDENT NAME)***

Michigan Islamic Institute provides basic furnishings for boarding and lodging living -- window blinds and/or shades, standard size twin bed and mattress, and 2 lockers per student. A cafeteria with a fridge and vending machine is provided, as well as laundry service soap/cleaning supplies, and game room. Students are instructed not to bring any electronic devices, such as laptops or play stations. *Phones may be kept in the main office.*
